

PRODUCT-DETAILS

3BSE069053R1

DO818 Digital Output 24V 32 ch

|                        |                                                                                                                          |
|------------------------|--------------------------------------------------------------------------------------------------------------------------|
| General Information    |                                                                                                                          |
| Product ID             | 3BSE069053R1                                                                                                             |
| ABB Type Designation   | DO818                                                                                                                    |
| Catalog Description    | DO818 Digital Output 24V 32 ch                                                                                           |
| Long Description       | Isolated in two groups of 16 channels.<br>0.5A, Short circuit proof.<br>Use Module Termination Unit TU818, TU819, TU830. |
| Additional Information |                                                                                                                          |
| Medium Description     | Isolated in two groups of 16 channels. 0.5A, Short circuit proof. Use Module Termination Unit TU818, TU819, TU830.       |
| Product Type           | I-O Module                                                                                                               |
| Ordering               |                                                                                                                          |
| HS Code                | 853890-- Parts suitable for use solely or principally with the apparatus of heading 85.35, 85.36 or 85.37.- Other        |
| Customs Tariff Number  | 85389099                                                                                                                 |

|                            |        |
|----------------------------|--------|
| Dimensions                 |        |
| Product Net Depth / Length | 102 mm |
| Product Net Height         | 119 mm |
| Product Net Width          | 45 mm  |
| Product Net Weight         | 0.2 kg |

|                           |    |
|---------------------------|----|
| Technical                 |    |
| Channel Type              | DI |
| Number of Output Channels | 32 |

|                     |                                                            |
|---------------------|------------------------------------------------------------|
| Environmental       |                                                            |
| RoHS Status         | Following EU Directive 2011/65/EU                          |
| WEEE Category       | 5. Small Equipment (No External Dimension More Than 50 cm) |
| Number of Batteries | 0                                                          |
| SCIP                | 544a419f-a5ee-4b3b-963c-500e7742d0b4 China (CN)            |

|                                                                                                                       |  |
